## **STAGECOACH ROAD CONSTRUCTION UPDATE**

(KILLEEN, TEXAS): A new portion of Phase 2 of the Stagecoach Road Reconstruction Project begins Tuesday. Onion Road will be closed to through traffic Tuesday for approximately three months for construction of a drainage culvert.

Residents who live on Grove Drive, Meadow Lane or Loop Road must access their properties via Stagecoach Road. Residents who live off of Tater Lane, Love Road and Hope Road must access their properties via Stan Schlueter Loop.

Stagecoach Road, from Bowfield Drive to W.S. Young Drive, remains closed through March. All westbound traffic must detour using Bowfield Drive to Shawlands Road to Featherline Road to Chaparral Road. Eastbound traffic is to use Stan Schlueter Loop or Chaparral Road to bypass the closure. Llewelyn Drive should not be used for through traffic.

Detour signage is in place. Motorists should exercise caution while in the area and plan alternate routes for the duration of the closure.

The Stagecoach Road Reconstruction Project will widen Stagecoach Road to five lanes with a continuous center turn lane from the Harker Heights city limit to State Highway 195. The entire project is scheduled for completion late next year.

The City of Killeen apologizes for any inconvenience caused by this project and appreciates your cooperation as we expand this roadway.
